INTRODUCTION

Being a digital animator is my profession and passion. Through my preparation, I have learned many digital techniques, to work as a team, be a respectful, resilient, flexible, self-driven learner, determined and someone who wants to help to make a real and positive difference in people's lives, contribute to projects that entertain, amuse, and transmit feelings, values, ideas, and proposals, that can prevail and transcend.

EDUCATION

THINK TANK TRAINING CENTER VANCOUVER (B, C, CANADA)
Computer Animation, Effects, and Game Design Diploma 03/ 2023 – 09/ 2023

- Elevated my skills in a portfolio-production pipeline. Detail-oriented work. In 3D animation. Maya and Motion Builder, 2D, 3D, and hand drawing.
